

**ARGENTINA – DEFINITIVE ANTI-DUMPING MEASURES ON IMPORTS OF  
CERAMIC FLOOR TILES FROM ITALY**

Communication from the Chairman of the Panel

The following communication, dated 11 July 2001, addressed to the Dispute Settlement Body, is circulated pursuant to Article 12.9 of the DSU.

---

Article 12.8 of the DSU stipulates that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date that the final report is issued to the parties, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU states that when a panel considers that it cannot issue its report within six months, it shall inform the DSB in writing of the reasons for the delay, together with an estimate of the period within which it will issue its report.

The Panel on *Argentina – Definitive Anti-Dumping Measures on Imports of Ceramic Floor Tiles from Italy (DS189)* was established by the DSB on 17 November 2000 and composed on 12 January 2001.

It will not, however, be possible for the Panel to complete its work in six months due to the parties' wish to use the maximum time periods prescribed in Appendix 3 of the DSU.

The Panel expects to complete its work by September 2001.
