

CANADA - CERTAIN MEASURES CONCERNING PERIODICALS

Corrigendum

The following revisions should be made to the English version of the panel report on *Canada - Certain Measures Concerning Periodicals*:

1. In footnote 62, on page 26, the date of the unadopted panel report on *United States - Taxes on Automobiles* should be 11 October 1994, and the paragraph cited in that report should be 5.59, not 5.55.
2. In paragraph 3.109, on page 38, the reference to paragraph 5.19 of the *Japan - Alcoholic Beverages* panel report should be changed to paragraph 6.19.
3. The word "use" should be added in the penultimate line in paragraph 3.118, on page 41; the line should read, "the two are directly competitive and substitutable, since carrying advertising is a principal use to which..."
4. In paragraph 3.140, on page 47, a new sentence would begin in the sixth line following the words "full national treatment," after which a full stop should be added. The new sentence would read "The GATT restricts the types of measures a Member may impose simply to counteract another Members' comparative trade advantages (i.e. to protect domestic producers from legitimate import competition)".
