

EUROPEAN COMMUNITIES - TRADE DESCRIPTION OF SCALLOPS

Request for the Establishment of a Panel

Corrigendum

The following letter, dated 7 July 1995, from the Permanent Mission of Canada is the cover note for the communication on the request for the establishment of a panel circulated in WT/DS7/7 of 10 July 1995.

---

With reference to document WT/DS7/1, dated 24 May 1995, I hereby inform you that consultations between the Government of Canada and the European Communities (EC) took place in Geneva on 19 June 1995. Unfortunately, it has not been possible to find a satisfactory solution for the issue raised by Canada regarding the trade description of scallops.

The Government of Canada will continue to pursue the settlement of this issue, however, if no solution is found within the 60 day period following the date of receipt of our request by the EC, we will request the establishment of a panel at the next meeting of the Dispute Settlement Body, pursuant to Article XXIII of GATT 1994, Article 14 of the Agreement on Technical Barriers to Trade and Articles 4 and 6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes.

In light of the above, we ask you to include this request on the agenda of the meeting of the Dispute Settlement Body scheduled for 19 July 1995 and to circulate the attached communication.\*
