AUSTRALIA - ANTI-DUMPING MEASURES ON IMPORTS OF
COATED WOODFREE PAPER SHEETS

Notification of Mutually Agreed Solution

The following communication, dated 13 May 1998, from the Permanent Mission of Australia and the Permanent Mission of Switzerland, is circulated pursuant to Article 3.6 of the DSU.

In a communication dated 20 February 1998 Switzerland sought consultations pursuant to Article 4 of the Understanding on Rules and Procedures Governing the Settlement of Disputes and paragraph 3 of Article 17 of the Agreement on Implementation of Article VI of GATT 1994 regarding provisional anti-dumping measures on imports of certain coated woodfree paper in sheets from Switzerland. Consultations were held on 20 March 1998 (WT/DS119/1).

On 25 March 1998 the anti-dumping investigations into the subject imports from Switzerland and a number of other countries were terminated. Accordingly the provisional measures were also terminated and securities taken will be reimbursed. This was according to the normal procedures under Australia's anti-dumping legislation as part of the final review before the Anti-Dumping Authority makes recommendations to the responsible Minister.

Therefore the consultations have been concluded.
