### REQUEST TO JOIN CONSULTATIONS

#### *Communication from Costa Rica*

The following communication, received on 12 March 2019, from the delegation of Costa Rica to the delegation of India, and the delegation of Australia, is circulated to the Dispute Settlement Body in accordance with Article 4.11 of the DSU.

---

Pursuant to Article 4.11 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes*, the Government of Costa Rica notifies the consulting Members and the Dispute Settlement Body of its desire to be joined in the consultations requested by the Government of Australia, in Measures concerning sugar and sugarcane (DS580). This request for consultations was circulated to WTO Members on 5 March 2019 (WT/DS580/1).

Costa Rica has a substantial trade interest in these consultations as our country is a producer and exporter of sugar. Over the past 5 years, Costa Rica has exported an accumulated volume of 1,019,508 metric tons of sugar (accounting for nearly US\$ 430 million) to different destinations, which include China, the United States of America, the European Union, and Canada, among others.

The Government of Costa Rica looks forward to your reply.
