Dear Charge d' Affaires,

I have the honour to refer to the discussion between representatives of the Government of India and the Government of Australia on the issue of the removal of residual quantitative restrictions on imports by India.

Further to a request made for consultations with the Government of India pursuant to Article 4 of the 1994 Understanding on the Rules and Procedures Governing the Settlement of Disputes, Article XXII of the General Agreement on Tariffs and Trade 1994 (GATT 1994), Article 19 of the Agreement on Agriculture, and Article 6 of the Agreement on Import Licensing Procedures, by the Government of Australia on 16 July 1997 concerning quantitative restrictions maintained by India on the importation of a large number of agricultural and industrial products (WT/DS91/1; 22 July 1997), the Government of Australia and the Government of India have reached a mutually agreed solution.

This letter together with its attachment and your letter in reply constitute the mutually agreed solution between India and Australia with regard to the said dispute in the WTO.

Without prejudice to the rights and obligations of either Member under the Agreement establishing the World Trade Organization, and on the understanding that as long as the Government of India implements the provisions of this exchange of letters, the Government of Australia will not initiate action under GATT Articles XXII or XXIII as regards the quantitative restrictions on imports during the phasing out period as defined below, the Government of Australia and the Government of India have agreed as follows:

- (i) Without prejudice to India's rights and obligations under the WTO Agreement, the quantitative restrictions on imports maintained by India by reference to Article XVIII:B of GATT 1994, as notified to the WTO in Annex I, Part B, of document WT/BOP/N/24, dated 22 May 1997, will be removed, at the latest by 31 March 2003.
- (ii) The Government of India will remove these restrictions for the products in the attached Annex and in Annex III of document WT/BOP/N/24, in accordance with the following time-schedules: Phase 1 covers 1 April 1997 to 31 March 2000; Phase II covers 1 April 2000 to 31 March 2002; and Phase III covers 1 April 2002 to 31 March 2003. The Government of India will remove these restrictions in annual tranches in a balanced manner.
- (iii) India will grant to Australia treatment no less favourable than that granted by India to any other country with respect to the elimination of these import restrictions on products in the attached Annex or in Annex III of document WT/BOP/N/24 either autonomously or pursuant to agreement or understanding with that country, including pursuant to the settlement of any outstanding dispute under the WTO Understanding on Rules and Procedures Governing the Settlement of Disputes.

- (iv) In the interest of transparency and to ensure that importers and exporters may be aware of the changes made from time to time, India will notify the implementation of the time-schedules in accordance with Article 5 of the Agreement on Import Licensing Procedures. In accordance with India's export and import policy and practices, India will publish in its annual EXIM statement those products from which these quantitative restrictions have been removed. Australia and India agree to an annual review of this Agreement for the purposes of ensuring transparency of information concerning the implementation of the time-schedules.
- (v) Where imports are channelled through a state trading enterprise or an enterprise enjoying exclusive or special rights, the elimination of quantitative restrictions on imports will be without prejudice to India's rights and obligations under Article XVII of GATT 1994 and the Understanding on the Implementation of Article XVII of GATT 1994.
- (vi) The Government of India and the Government of Australia will notify the relevant bodies of the WTO that they have reached a mutually agreed solution.
- (vii) India intends upon reaching bilateral solutions with the trading partners which have requested consultations under GATT Article XXII, to seek multilateral accommodation of its revised time-schedules. Australia will cooperate with India in this regard.

I would be grateful if you would confirm that Australia accepts the contents of this letter.

Please accept, Sir, the assurance of my highest consideration.

Yours sincerely,

(Signed) S. Narayanan
