The following communication, dated 9 November 2017, from the delegation of the United States to the Chairperson of the Dispute Settlement Body, is circulated pursuant to Article 21.6 of the DSU.

The United States submits this report in accordance with Article 21.6 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes* ("DSU").

On 26 September 2016, the Dispute Settlement Body ("DSB") adopted its recommendations in *United States – Anti-Dumping and Countervailing Measures on Large Residential Washers from Korea* (DS464). At the following DSB meeting, on 26 October 2017, the United States informed the DSB of its intention to implement the recommendations of the DSB in connection with this matter. Korea requested that the reasonable period of time for the United States to implement the recommendations of the DSB be determined through arbitration pursuant to Article 21.3(c) of the DSU. The Arbitrator determined the reasonable period of time to be 15 months, expiring on 26 December 2017.

The United States continues to consult with interested parties on options to address the recommendations of the DSB.
