

CHINA – GRANTS, LOANS AND OTHER INCENTIVES

Request to Join Consultations

Communication from the United States

The following communication, dated 16 January 2009, from the delegation of the United States to the delegation of China, the delegation of Mexico, and to the Chairman of the Dispute Settlement Body, is circulated in accordance with Article 4.11 of the DSU.

This concerns the request for consultations by Mexico on *China – Grants, Loans and Other Incentives*, circulated on 8 January 2009 (WT/DS388/1). My authorities have instructed me to notify the consulting Members and the Dispute Settlement Body of the desire of the United States to be joined in these consultations, pursuant to Article 4.11 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes*. The United States has a substantial trade interest in these consultations. They concern certain measures of China offering grants, loans, and other incentives to enterprises in China, measures on which the United States has also requested consultations (WT/DS387/1). These measures appear to offer export subsidies across a broad range of sectors affecting the conditions of competition facing US-produced goods sold in the US and foreign markets.
