

**EGYPT – DEFINITIVE ANTI-DUMPING MEASURES
ON STEEL REBAR FROM TURKEY**

Status Report by Egypt

Addendum

The following communication, dated 7 July 2003, from the Permanent Mission of Egypt to the Chairman of the Dispute Settlement Body, is circulated pursuant to Article 21.6 of the DSU.

Status Report Regarding Implementation of the
Recommendations and Rulings of the DSB in
*Egypt – Definitive Anti-Dumping Measure
on Steel Rebar from Turkey (WT/DS211)*

Egypt submits this report in accordance with Article 21.6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU).

On 23 October 2002, Egypt informed the Dispute Settlement Body (DSB) that it intended to implement the recommendations and rulings of the DSB in *Egypt – Definitive Anti-Dumping Measures on Steel Rebar from Turkey (WT/DS211)*.

The Department re-examined the dumping calculations of the following two Turkish companies, Izmir (IDC) and Icdas, and the general injury assessment in light of the recommendations of the Panel. Egypt submitted its revised injury assessment and revised dumping assessment to the interested parties. The investigating authority is currently re-examining the comments received from the Turkish Government, Izmir (IDC) and Icdas in its implementation of the Panel's recommendations.
