

**UNITED STATES – COUNTERVAILING MEASURES CONCERNING  
CERTAIN PRODUCTS FROM THE EUROPEAN COMMUNITIES**

Communication from the Chairman of the Panel

The following communication, dated 18 April 2002, addressed to the Dispute Settlement Body (DSB), is circulated in accordance with Article 12.9 of the Dispute Settlement Understanding (DSU).

---

Article 12.8 of the DSU stipulates that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date that the final report is issued to the parties, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU states that when a panel considers that it cannot issue its report within six months, it shall inform the DSB in writing of the reasons for the delay, together with an estimate of the period within which it will issue its report.

The Panel on *United States – Countervailing Measures Concerning Certain Products from the European Communities* (WT/DS212) was established by the DSB on 10 September 2001 and composed on 5 November 2001.

It will not, however, be possible for the Panel to complete its work in six months due to the complexity of the matter.

The Panel expects to complete its work by the end of May 2002.
