

**KOREA – SUNSET REVIEW OF ANTI-DUMPING DUTIES ON STAINLESS STEEL BARS**

COMMUNICATION FROM THE PANEL

The following communication, dated 30 July 2020, was received from the Chairperson of the Panel with the request that it be circulated to the Dispute Settlement Body.

---

On 3 September 2019, I wrote to the incumbent Chairperson pursuant to Article 12.9 of the DSU indicating that the Panel in *Korea – Sunset Review of Anti-Dumping Duties on Stainless Steel Bars* (DS553) expects to issue its final report to the parties in the middle portion of 2020.

I wish to update you with a revised estimate for the issuance of the final report. In particular, the Panel expects to issue its final report to the parties in the latter half of 2020. This is a reflection of the volume of materials submitted during these proceedings, as well as logistical constraints arising from the current circumstances.
