Communication from the Chairman of the Panel

The following communication, dated 21 November 2011, addressed to the Chairperson of the Dispute Settlement Body (DSB), is circulated pursuant to Article 12.9 of the Dispute Settlement Understanding (DSU).

Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *Dominican Republic – Safeguard Measures on Imports of Polypropylene Bags and Tubular Fabric* (WT/DS415, DS416, DS417, DS418) was established by the DSB on 7 February 2011 and composed on 11 March 2011.

The Panel had previously informed the DSB that it would not be able to complete its work within six months of the date of composition (WT/DS415/9, WT/DS416/9, WT/DS417/9, WT/DS418/9). After having consulted the parties to the dispute, the Panel has decided that it will issue its final report to the parties on 23 November 2011. The final report shall be circulated to the Members upon translation, which is expected to be completed by early February 2012 at the latest.
