

**EUROPEAN COMMUNITIES - REGIME FOR THE IMPORTATION,
SALE AND DISTRIBUTION OF BANANAS**

Recourse to Article 22.7 of the DSU
by Ecuador

The following communication, dated 5 May 2000, from the Permanent Mission of Ecuador to the Chairman of the Dispute Settlement Body, is being circulated pursuant to Article 22.7 of the DSU.

Ecuador requests authorization by the Dispute Settlement Body (DSB) to suspend, with regard to the European Communities (EC) and its member States¹, the application of tariff concessions and related obligations stemming from the *General Agreement on Tariffs and Trade 1994 (GATT)*, the *General Agreement on Trade in Services (GATS)* and *Annexes thereto* and the *Agreement on Trade-Related Intellectual Property Rights (TRIPS)*, for US\$201.6 million, the amount determined in the Decision of the Arbitrators (WT/DS27/ARB/ECU) of 24 March 2000 as being equivalent within the meaning of Article 22:4 of the DSU to the level of nullification and impairment suffered by Ecuador as a result of the WTO-inconsistent aspects of the EC import regime for bananas.

Ecuador previously addressed a request (WT/DS27/52) to the DSB for authorization of suspension of concessions pursuant to Article 22:2 of the DSU. In that request it set out the relevant facts relating to the EC's failure to implement the DSB recommendations and rulings concerning its banana import regime and the level of nullification and impairment of benefits accruing to Ecuador from the WTO Agreements. On 19 November 1999, the DSB referred this question to arbitration in accordance with Article 22:6 of the DSU.

On 24 March 2000, the arbitrators determined (WT/DS27/ARB/ECU) that Ecuador could request and obtain authorization to suspend concessions and other obligations of a level not exceeding US\$201.6 million per year, the amount which they estimate to be equivalent, within the meaning of Article 22:4 of the DSU, to the level of nullification and impairment suffered by Ecuador as a result of the WTO-inconsistent aspects of the EC banana import regime.

On the basis of the conclusions and suggestions contained in the Decision of the Arbitrators (WT/DS27/ARB/ECU) and in accordance with Article 22:7 and Article 22:3(a) of the DSU, Ecuador requests authorization by the DSB to suspend concessions or other obligations under the GATT concerning certain categories of goods in respect of which, in the view of the arbitrators, the suspension of concessions is effective and practicable. Accordingly, Ecuador's request for

¹ The suspension of concessions and other obligations will apply to the following member States of the EC: Austria, Belgium, Finland, France, Germany, Greece, Ireland, Italy, Luxembourg, Portugal, Spain, Sweden and the United Kingdom.

authorization under the GATT will apply to the products included in the attached list for an amount at least equivalent to that mentioned by the arbitrators in paragraph 99 of their Decision.

Moreover, taking into account the conclusions and suggestions contained in the above-mentioned Decision of the arbitrators and in accordance with Article 22:3(a) of the DSU, Ecuador requests authorization by the DSB to suspend commitments under the GATS with respect to wholesale trade services (CPC 622) in the principal sector of distribution services.

Lastly, in view of the fact that the requested suspension of concessions under the GATT and GATS is insufficient to reach the level of nullification and impairment of US\$201.6 million indicated by the arbitrators, Ecuador requests authorization by the DSB, pursuant to Article 22:3(c) of the DSU, to suspend its obligations with regard to the EC under the TRIPS Agreement with respect to the following sectors of that Agreement:

- (i) Section 1: Copyright and related rights, Article 14 on "Protection of performers, products of phonograms (sound recordings) and broadcasting organizations";
- (ii) Section 3: Geographical indications;
- (iii) Section 4: Industrial designs

Paragraph 7 of Article 22 of the DSU stipulates that the DSB shall, upon request, grant authorization to suspend concessions or other obligations where the request is consistent with the decision of the arbitrator. Accordingly, Ecuador hereby requests the DSB to authorize Ecuador to suspend concessions or other obligations for a value of up to US\$201.6 million per year.
