Status Report Regarding Implementation of the
DSB Recommendations and Rulings in the Dispute
United States – Section 211 Omnibus Appropriations Act of 1998
(WT/DS176)

The United States submits this report in accordance with Article 21.6 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes*.

On 2 February 2002, the Dispute Settlement Body (DSB) adopted its recommendations and rulings in *United States - Section 211 Omnibus Appropriations Act of 1998* (WT/DS176). At the following DSB meeting on 18 February 2002, the United States informed the DSB of its intention to implement the recommendations and rulings of the DSB in connection with this matter. At that time, the United States also advised the DSB that a "reasonable period of time" would be required to complete this process. On 28 March 2002, the United States and the European Communities informed the DSB that they had reached a mutual agreement on the reasonable period of time for the United States to implement the recommendations and rulings of the DSB, and that the reasonable period of time would expire on 31 December 2002, or on the date on which the current session of the US Congress adjourns, whichever is later, and in no event later than 3 January 2003.

Since that time, the United States Administration has held consultations with the US Congress concerning appropriate statutory measures and continues to work with the Congress on resolving the dispute.
