Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *United States – Anti-Dumping and Countervailing Measures on Large Residential Washers from Korea* (WT/DS464) was established by the DSB on 22 January 2014 and composed on 23 June 2014.

The beginning of the Panel's work was delayed as a result of a lack of available experienced lawyers in the Secretariat. The Panel expects to issue its final report to the parties by the end of 2015.
