WITH RESPECT TO CERTAIN SOFTWOOD LUMBER FROM CANADA**

Constitution of the Panel Established at the Request of Canada

Note by the Secretariat

1. At its meeting on 5 December 2001, in accordance with Article 6 of the Dispute Settlement Understanding (DSU), the Dispute Settlement Body (DSB) established a Panel pursuant to the request made by Canada in document WT/DS236/2.

2. At that meeting, the parties to the dispute also agreed that the Panel should have standard terms of reference. The terms of reference are, therefore, the following:

"To examine, in the light of the relevant provisions of the covered agreements cited by Canada in document WT/DS236/2, the matter referred to the DSB by Canada in that document, and to make such findings as will assist the DSB in making the recommendations or in giving the rulings provided for in those agreements".

3. On 22 January 2002, Canada requested the Director-General to determine the composition of the Panel, pursuant to paragraph 7 of Article 8 of the DSU. This paragraph provides:

"If there is no agreement on the panelists within 20 days after the date of the establishment of a panel, at the request of either party, the Director-General, in consultation with the Chairman of the DSB and the Chairman of the relevant Council or Committee, shall determine the composition of the panel by appointing the panelists whom the Director-General considers most appropriate in accordance with any relevant special or additional rules or procedures of the covered agreement or covered agreements which are at issue in the dispute, after consulting with the parties to the dispute. The Chairman of the DSB shall inform the Members of the composition of the panel thus formed no later than 10 days after the date the Chairman receives such a request."

4. On 1 February 2002, the Director-General accordingly composed the Panel as follows:

Chairman: Mr. Dariusz Rosati

Members: Mr. Robert Arnott
Mr. Gonzalo Biggs

5. The European Communities, India and Japan reserved their third party rights.
