Communication from Guatemala

The following communication, dated 22 March 2012, from the delegation of Guatemala to the delegation of Australia, the delegation of Ukraine and to the Chairperson of the Dispute Settlement Body, is circulated in accordance with Article 4.11 of the DSU.

In accordance with Article 4.11 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes* (the "DSU"), the Government of Guatemala hereby notifies its desire to join in the consultations requested by Ukraine concerning certain Australian laws and regulations that impose trademark restrictions and other plain packaging requirements on tobacco products and packaging.

The request for consultations to Australia from Ukraine, dated 13 March 2012, was circulated to the WTO Members on 15 March 2012 as document WT/DS434/1, IP/D/30, G/TBT/D/39, G/L/985.

Guatemala has a substantial trade interest in these consultations, as it exports more than US 54 millions of tobacco and tobacco products. Additionally, Guatemala has a systemic interest in public health issues; in particular, how Members reconcile their obligations under the WTO Agreements and the achievement of their own legitimate objectives.
