ANIMALS AND ANIMAL PRODUCTS**

**REQUEST TO JOIN CONSULTATIONS**

*Communication from the European Union*

The following communication, dated 23 May 2014, from the delegation of the European Union to the delegation of Indonesia, the delegation of New Zealand and to the Chairperson of the Dispute Settlement Body, is circulated in accordance with Article 4.11 of the DSU.

Pursuant to Article 4.11 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes* (DSU), the European Union hereby notifies the Government of New Zealand, the Government of Indonesia, and the Dispute Settlement Body that, in the light of the substantial trade interest of the European Union, it desires to be joined in the consultations requested by New Zealand in a communication circulated to WTO Members on 15 May 2014 (WT/DS477/1, G/L/1068, G/AG/GEN/118, G/LIC/D/47, G/PSI/D/3) entitled *Indonesia – Importation of horticultural products, animals and animal products*.

The European Union is a major exporter of agricultural products (including horticultural products) and maintains important trade relations with Indonesia. In 2013, the European Union exported agricultural goods valuing approximately €615m to Indonesia. The Indonesian import licensing requirements may have a substantial impact on future trade flows between the European Union and Indonesia. Accordingly, the European Union has a substantial trade interest in this dispute.

The European Union looks forward to being informed of the date and venue of the consultations.
