ANIMALS AND ANIMAL PRODUCTS**

**STATUS REPORT REGARDING IMPLEMENTATION OF THE  
DSB RECOMMENDATIONS AND RULINGS  
BY INDONESIA**

*Addendum*

The following communication, dated 15 April 2019, from the delegation of Indonesia to the Chairperson of the Dispute Settlement Body, is circulated pursuant to Article 21.6 of the DSU.

Indonesia submits this report pursuant to Article 21.6 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU).

On 22 November 2017, the Dispute Settlement Body (DSB) adopted the recommendations and rulings in respect of the panel and Appellate Body reports in "*Indonesia – Importation of Horticultural Products, Animals and Animal Products*" (WT/DS477/DS478).

In the DSB meeting on 28 February 2018, Indonesia informed the DSB that it intended to implement the DSB recommendations and rulings in these disputes, but that it would need reasonable period of time to do so.

Pursuant to Article 21.3 (b) of the DSU, Indonesia, New Zealand and the United States have mutually agreed on the reasonable period of time to implement the DSB recommendations and rulings that expired on 22 July 2018. Nevertheless, with regard to the DSB's recommendations and rulings concerning Measure 18, Indonesia, New Zealand and the United States also have mutually agreed that Indonesia will have more time to make statutory changes to comply with the DSB recommendations and rulings in these disputes. Accordingly, New Zealand and the United States will not initiate further proceedings concerning Measure 18 until at least 22 June 2019.

Indonesia noted continued concerns by New Zealand and the United States on Indonesia's progress in complying with the WTO decisions. Against this backdrop, Indonesia wishes to inform the DSB that bilateral engagement has taken place between Indonesia and New Zealand and the United States. During this engagement, Indonesia has presented in great detail concrete steps that Indonesia has taken to adjust its regulations to be in line with the WTO decisions, *i.e.* to improve the importation system towards attaining full compliance status. Indonesia will continue the aforementioned process.

With respect to measure 18, Government of Indonesia is convening consultation with all relevant stakeholders in view of the implementation of the WTO decisions.

Indonesia thanks New Zealand and the United States for having bilateral engagement. Indonesia will continue this effort and engagement to resolve these disputes.
