*Corrigendum*

Please note that in the original reports WT/DS454/R and WT/DS460/R, paragraph 8.9 should read as follows:

8.9 Consistent with our terms of reference, we find that the **Article 2.2** claim advanced by the European Union in its first written submission falls outside our terms of reference. We also find that the Article 2.2.1.1 claims advanced by the European Union in its first written submission pertaining to MOFCOM's use of data that allegedly were not in accordance with GAAP, did not reasonably reflect the costs associated with the product under consideration, and were historically utilized by SMST, fall outside our terms of reference.
