In a letter dated 4 February 2008, addressed to Mr. Dariusz Rosati, Chairman of the Panel, Argentina indicated that on 29 January 2008, the Foreign Trade Chamber of Brazil adopted a decision to suspend the application of anti-dumping duties on imports of PET resin from Argentina. Argentina informed the Panel that, as a result, it was asking the Panel to suspend its work pursuant to Article 12.12 of the DSU. The Panel has agreed to this request and will suspend its work until further notice.
