Status Report by the United States

Addendum

The following communication, dated 11 January 2007, from the delegation of the United States to the Chairman of the Dispute Settlement Body, is circulated pursuant to Article 21.6 of the DSU.

Status Report Regarding Implementation of the  
DSB Recommendations and Rulings in the Dispute  
United States – Section 110(5) of the US Copyright Act  
(WT/DS160)

The United States submits this report in accordance with Article 21.6 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes* ("DSU").

On 27 July 2000, the Dispute Settlement Body ("DSB") adopted its recommendations and rulings in *United States – Section 110(5) of the US Copyright Act* (WT/DS160). At the following DSB meeting on 24 August 2000, the United States informed the DSB of its intention to implement the recommendations and rulings of the DSB in connection with this matter. As a result of discussions to find a mutually acceptable resolution of the dispute, the United States and the European Communities agreed pursuant to Article 25 of the DSU to enter into arbitration in order to determine the level of nullification or impairment of benefits caused by Section 110(5)(B) of the US Copyright Act. After the arbitration, the parties reached a temporary resolution of the dispute, which was notified to the DSB on 23 June 2003. That temporary arrangement covered the period through 20 December 2004.

The US Administration will work closely with the new US Congress, which convened this month, and continue to confer with the European Communities, in order to reach a mutually satisfactory resolution of this matter.
