Status Report Regarding Implementation of the  
DSB Recommendations and Rulings in the Dispute  
United States – Section 211 Omnibus Appropriations Act of 1998  
(WT/DS176)

The United States submits this report in accordance with Article 21.6 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes*.

On 2 February 2002, the Dispute Settlement Body ("DSB") adopted its recommendations and rulings in *United States - Section 211 Omnibus Appropriations Act of 1998* (WT/DS176). At the following DSB meeting on 18 February 2002, the United States informed the DSB of its intention to implement the recommendations and rulings of the DSB in connection with this matter.

Several legislative proposals relating to Section 211 that would implement the DSB's recommendations and rulings in this dispute were introduced in the last Congress, both in the US Senate and the US House of Representatives.

The United States Administration will work with the new US Congress, which convened this month, with respect to appropriate statutory measures that would resolve this matter.
