COMMUNICATIONS TECHNOLOGY SECTOR**

REQUEST TO JOIN CONSULTATIONS

Communication from Singapore

The following communication, dated 17 April 2019, from the delegation of Singapore to the delegation of India, and the delegation of the European Union, is circulated to the Dispute Settlement Body in accordance with Article 4.11 of the DSU.

Pursuant to Article 4.11 of the *Understanding on Rules and Procedures Governing the Settlement of Disputes* (DSU), Singapore notifies the consulting Members and the Dispute Settlement Body that it desires to be joined in India's consultations with the European Union pursuant to the communication entitled *India – Tariff Treatment on Certain Goods in the Information and Communications Technology Sector* circulated to WTO Members on 9 April 2019 (WT/DS582/1). This is because Singapore, as one of the world's largest exporter of Information and Communications Technology (ICT) products, with export value of US\$ 120 billion annually, has substantial trade interest in this matter.

Singapore looks forward to a favourable response.
