**INDONESIA – MEASURES CONCERNING THE IMPORTATION OF CHICKEN MEAT
AND CHICKEN PRODUCTS**

COMMUNICATION FROM THE CHAIRPERSON OF THE PANEL

The following communication, dated 31 March 2017, addressed to the Chairperson of the Dispute Settlement Body (DSB), is circulated in accordance with Article 12.9 of the Dispute Settlement Understanding (DSU).

Article 12.8 of the Understanding on Rules and Procedures Governing the Settlement of Disputes (DSU) provides that the period in which a panel shall conduct its examination, from the date that the composition and terms of reference of the panel have been agreed upon until the date the final report is issued to the parties to the dispute, shall, as a general rule, not exceed six months.

Article 12.9 of the DSU provides that, when a panel considers that it cannot issue its report within six months, it shall inform the Dispute Settlement Body (DSB) in writing accordingly and indicate the reasons, together with an estimate of the period within which it will issue its report.

The Panel on *Indonesia – Measures Concerning the Importation of Chicken Meat and Chicken Products* (WT/DS484) was established by the DSB on 3 December 2015 and composed on 3 March 2016. In its communication to the DSB of 31 August 2016 (WT/DS484/10), the Panel indicated that it expected to issue its final report to the parties by early April 2017. However, it will not be possible for the Panel to issue its final report to the parties by that time, due to the complexity of the dispute.

The Panel estimates that it will issue its final report to the parties by early May 2017, in accordance with the revised timetable adopted after consultation with the parties.

I would be grateful if you would circulate this letter to the Members of the DSB.
